RE: Europe/Rest of the World Customers

Whilst we configure the online shop to ship to non-UK addresses, please can you e-mail our Web Team at web@qbag.com to purchase Qbags via this option.

N.B. For these types of orders (to non-UK addresses), customers can add an additional £4.90 for "Airsure". Airsure benefits from an online tracking facility so you can check your mail's progress along the way.

UK Domestic Delivery:

Maximum order quantity is 20 envelopes

Europe & Rest of World Delivery:
