

Three major features which make Google Checkout so unique:

- Firstly, with Google Checkout, all you need is one login everywhere. Any online store which features Google Checkout will divert you to their transaction pages every time you need pay for any purchases. That's one page, one login and one easy way to pay.
- Secondly, view your Order History from multiple stores on just one page. The Checkout will track all your orders and delivery information and keep it safe in just one place.
- Finally, you can shop with confidence. Google's fraud protection policy covers you, as customers, against unauthorised purchases made through Google Checkout.

How do I use Google Checkout?

1. Once you're on the "Shop" page, click on the blue button **Add to cart** like below:

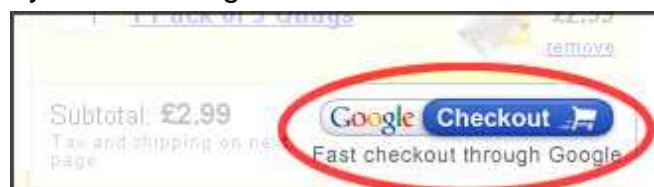

2. The shopping cart will then appear. You can add more packs of Qbags to your shopping cart by clicking the **Add to cart** button again.

Please do not order more than 20 packs if you are a UK resident or more than 10 packs if you live abroad.

3. From here, click on the clearly visible "Google Checkout" button.

4. If you do not already have a Google Account, just complete the simple registration form and enter your details. You will only have to do this once, as Google will keep your details safe until your next purchase through an online store with a Google Checkout.

If you already have a Google Account, simply log in and check all your details are correct!
